

Story Ideas for Jungle Bay and Dominica

Jungle Bay is one of the Caribbean's newest and most unique adventure properties. Combining a philosophy of upscale ecotourism and authentic Caribbean experiences, Jungle Bay has been earning phenomenal guest feedback since opening in late 2005.

Story ideas:

- Leading resort with semi-outdoor private spas in the rainforest
- Custom corporate wellness and teambuilding retreats -- taking the boardroom into the jungle
- Island Adventure Fitness Boot Camps
- Jungle Bay is committed to building community connections through supporting nearby organic farms
- Culinary experiences on an island overflowing with unique and tasty fruits, vegetables and spices
- Dominica -- the nature island of the Caribbean: hidden waterfalls, natural hotsprings, world-class coral reefs and much more
- Jungle Spa Adventure Packages -- a great value and one-of-a-kind vacations experiences
- Natural and Indigenous - inspired spa therapies using massage blends from our forefathers
- Open Books Open Minds literacy program [click for more details](#)
